Chapter 4 - Light: The Siege of Lok

> [In Testing] Chapter 4 for the Light path is now "The Siege of Lok" and takes place on Lok at (550, -300), no longer on Mustafar. This is on the Test server only and NOT yet on Live; Live behavior is unchanged.

The Final Warning

Kaelen issues a final warning: "*This is the end of their war, but perhaps the beginning of your true journey. Do not let them chain you.*" This is your final chance to swap sides.

The Sith Stronghold

The Jedi have finally located the primary Sith Stronghold hidden in the volcanic badlands of Lok. Master Elara leads a strike team, and you are the vanguard.

The Assault

This is a full-scale raid. You must:

- Fight your way across the scorched canyons, cutting down waves of Elite Sith Vanguards.
- Slice into the command center to disable the stronghold's planetary shields.
- Breach the inner sanctum and defeat the Sith Overlord in a fiery, epic duel to completely dismantle their operations in the sector.

Chapter 4 Reward (Light): 500,000 Credits. *(Note: If you swapped sides this chapter, you will receive the Tier 1 baseline reward instead). (Completion of this chapter instantly unlocks the Epilogue, where your final Light Side rewards will be granted, including your unique vehicle).*
