

Jedi & Sith Professions

We are splitting the legacy Force-sensitive profession apart to deliver specialized, lore-rich tracking for the **Jedi** and **Sith**.

Jedi Path Progression:

- **Initiate:** Learn foundational abilities like *Shii-Cho Flurry* and the peace-centric *Sun Djem Strike* (Mark of Contact).
- **Padawan:** Unlock defensive forms like *Soresu Riposte* and *Saber Block*.
- **Knight:** Deepen your connection to the Living Force with *Heal* and rapid, non-lethal strikes like *Shiak Lunge*.
- **Master:** Reach the pinnacle of defensive superiority and physical resilience, wielding advanced *Detect Camouflage* and flawless saber strikes.

The **Sith Progression** will be following closely behind within the next two weeks, offering devastating offensive forms, Force Chokes, and Dark Side corruption mechanics.
